Valerie,

I'm here with ASB on detail from R6. I need to add a site specific charge code to my PP favorites. Can you do that or do I need to go through my R6 POC? Thanks. Nick

Hi Melanie,

We are supposed to be receiving a charge number from R8. Edith is/was to be contacted by one of their finance people. I have not heard whether that has happened yet, but I've got Edith cc'd here so that when she receives the information she can pass along to you to have Nick (and anyone else assisting) add the string to his PP.

EDITH—Would you, please, pass the info along to Melanie once you have received?

Thanks,

Marc

Hi Marc,

One of my staff asked about site-specific charging in PeoplePlus for Gold King.

Have you heard anything?

Thanks,

Melanie
